

The United States should establish a national memorial for permanently disabled veterans. That is why Rep. Dennis Moore (D-KS) and I [introduced legislation](#) to mint a new coin to help finance the memorial's construction. Last week, Rep. Moore and I joined Gary Sinise at the National Press Club to kick-off the campaign for the American Veterans Disabled for Life Memorial. I am proud to lead this bipartisan effort to set aside a place on the National Mall to honor all disabled veterans.
